My Daily Schedule

Let me tell you how:

Let me tell you how:

1. ...I learn more about web dev.
2. ...I plan out my schedule.
3. ...I use resources from [MDN](#)

▶ Guess the ==number of hours== I code per day

My Daily Schedule

	Time	Activity
Morning	8am-11am	Write Code
Break	11am-12pm	Eat Lunch
Afternoon	12pm-5pm	Study for Other Courses
Evening	All Other Times	Free Time
Night		Sleep

And that's what I do every day, 5 days a week. Just eat, sleep, code ..and recharge!

I Am Also Planning a Vacation

I've been working hard and *really need a getaway*.

I live in KS so I want visit a beach.

Places I'd Like to Visit

- I've heard good things about the Caribbean.

Caribbean Beach Getaway

- I've heard good things about going here:

  Margaritaville Island Reserve Riviera Cancún
  Bahia Petempich Puerto Morelos, Mexico
  Colonia Morelos, México 77580

Places I Want to Avoid

North Pole
   I hear this is **cold**!
South Pole
    This is also cold.
Mountain Tops
    These are also cold.
